The screenshot shows the IRB system interface. At the top, there is a navigation bar with 'Forms', 'Home', 'Contacts', and 'Help' (highlighted with a red box and arrow). On the right, the user's name 'IRB Chair Linda Henkel' is displayed in a dropdown menu (highlighted with a blue box and arrow). Below the navigation bar is a 'Work Area' section. On the left, there is a sidebar with 'Work Area' and 'Actions' menus. The 'Actions' menu includes 'Create Project' (highlighted with an orange box and arrow) and 'Delete Project'. The main content area is titled 'Work Area' and contains several sections: 'General' with 'Notifications' (3), 'Signatures' (0), 'Transfers' (0), and 'Shared' (1); 'Folders' with 'Closed (Not Active)' (3) and 'Ones I Am Co-PI' (1); and 'Projects' which includes a search bar and a table of project entries. A green box highlights the 'Notifications' section with a green arrow and text: 'View in-system correspondence' and 'Save & Print PDF copies of Protocol approvals'. A pink box highlights the 'Projects' section with a pink arrow and text: 'View in-progress and submitted Protocols', 'Make requested changes to Protocols', 'Save/Print PDF copies of Protocols', and 'Submit Sub-Forms (for Annual Reports, Protocol Amendments, and Adverse Event Reports)'. A yellow arrow points to the 'Create Project' button.

- Create a brand new Protocol application (for Expedited/Full Board, QI Project, External Delegation, or Exemption)
- Delete Projects (Protocols) that have not already been submitted
