

Faculty Recommendation Checklist

Name of applicant: _____

The student listed above is applying to be a Graduate Assistant for the Mathematics Center. The Graduate Assistant is expected to be able to tutor all levels of precalculus, first year calculus courses and introductory probability and statistics courses offered in the department. The Graduate Assistant will also serve as a mentor for the undergraduate tutors and handle administrative tasks. Based on your interactions with the student please rate the following. If there are any items that you cannot assess, please leave blank. Thank you for your time and input! Please have the faculty member return the form directly to Laura McSweeney (BNW 111) by August 25, 2014.

	Excellent	Good	Fair	Poor
Responsible				
Dependable				
Motivated				
Approachable				
Communication Skills				
Maturity				
Knowledge of subject they wish to tutor				
Enjoyment of mathematics				
Ability to work with peers
