

Core Science for Non-Science majors, Fall 2021

All of these courses satisfy the Magis Core Natural Science requirement.

Note: All the intro level courses for majors also do satisfy this requirement. (Gen. Bio, Gen. Chem, Gen Physics and most other upper division nat. sci. courses)

Check the full course listing to determine if a course can also satisfy other aspects of the Magis Core. (ID, SJ, etc.)

ANTH 1200 Biological Anthropology. (Course ID's: 91146, 91147, 91148, 91149, 92867,)
ANTH 1210 Biomedical Anthropology. (Course ID: 91151)
