

RETHINKING ASSESSMENT: TEACHING AND LEARNING IN THE **MAGIS CORE**

How can assessment invite compelling and useful dialogue for student learning and success? Can assessment be a means to a strategic end that ensures we are meeting our learning goals for the Magis Core? Join us for a discussion of teaching the Signature Elements and assessing our core, as we reflect on our goals as individuals and an institution in this two day series.

FEATURED LECTURE THURSDAY, NOV. 19 | 6:30 P.M.
