Members Absent: Carol Ann Davis, Michael Cavanaugh, Toby Svoboda (on sabbatical)

Called to order at 3:30 pm.

1. Discussion on items to bring to the UCS.
   a. Update on progress of the CSP
   b. Concerns about integration with FFU 2020 programs discussed
   c. Request for campus open space map

2. Consideration of Wetlands Art Project

   Dr. Biardi presented and the group discussed a project brought forth by artist Mary Mattingly. This project involves the building of temporary fresh water marsh habitat using recovered materials and regionally appropriate plant species. The project has been approved by the Town of Fairfield as a temporary installation. Dr. Biardi will be involved with students. The committee agreed that this was a very worthwhile project and endorsed its installation.

   A fact sheet describing this project is included as supplementary material to these minutes.

3. Kraig Steffen agreed to serve as the secretary for the UCS

Meeting adjourned at 4:10 pm.
