September 12, 2012

1. G. Ruffini reviewed the minutes from the February meeting. A motion was made to approve (K. Sealey/K. Bardos). Approved unanimously.
2. G. Ruffini reported on the progress of last year’s motion to the Academic Council regarding the use of PINs at registration. The motion is now in the Journal of Record and is awaiting implementation. There was a suggestion to add a question about it to the annual FAR survey of student-athletes.
3. The committee elected a new chair for this year. K. Bardos was elected by acclamation.
4. The committee reviewed the results of the Triennial survey. Several minor revisions were discussed. A motion to approve with revisions (K. Sealey/A. Rusu). Approved unanimously. G. Ruffini agreed to forward the revised report to K. Bardos.
5. The committee discussed the agenda for the year. There seemed to be general agreement that we should proceed with K. Sealey’s proposal (with Sydney Johnson) that we explore Princeton’s Faculty Fellows program. C. Huntley also introduced a few other similar ideas from the August/September issue of the NCAA Faculty Athletics Representative Association newsletter. We agreed to discuss them at the next meeting, preferably with participation and input from interested varsity coaching staff.
6. There was a motion to adjourn. (K. Bardos/A. Rusu). Approved.
